Hmmm – not sure that’s gonna work. Darn – I wanted a location with a view of our BID so we could proudly show-off!

Hugs,  
Laurie

The location on the 5th floor faces the north and there would be adequate sunlight for the first 1hr or so of our party. Although, by 8pm the sun will be setting and there goes the light. We could see about getting some portable lights.

FYI, we do have Sept. 22nd booked at the Musicians Union Auditorium. This was done at the beginning of the year when I do upcoming yearly meeting scheduling/bookings.

Okay – that would explain why their Xmas party was on the 5<sup>th</sup> floor. It’s kinda dark isn’t it? I think we might need a different location – what do you think?

Laurie,

Ana Ramirez from the Television Center is out of the office and on vacation this week. Although, I spoke with her assistant, Nuria, and she was aware that last week Lisa had made the request to hold our BID’s Annual Event there.

Nuria said that the entire top floor (level 6) is leased out by one of their tenants would not be available. Although, level 5 is where they held their annual holiday party and that would be possible.

FYI, we are OK to hold off on finalizing and sending out our newsletter until next week . . . when we know if TVC is going to be the location for our Annual Event.
